PRICE LIST

Alexander's Quality Dahlias

1924

J. HERBERT ALEXANDER

450 CENTRAL STREET

EAST BRIDGEWATER, MASSACHUSETTS

IT is a pleasure to present you with my price-list. Altho modest in appearance, you will find the Dahlias offered are of the highest quality. I have concluded from a life experience with Dahlias, that the best are none too good, and have only those varieties that are worthy of recommendation. I buy the newest Dahlias from all parts of the world: try them out: and discard the more ordinary ones, retaining only the cream—those of highest quality. My tubers are strong, healthy and full of vitality.

Considering the demand for some varieties is larger than the supply, would recommend that you order early, to avoid disappointment.

Cash (Money Order or Check) must accompany orders.

I do not believe in substituting, unless you express a wish for me to do so.

I assure you that I will endeavor to handle your order so satisfactorily that you will recommend me to your friends.

Yours very sincerely,

J. HERBERT ALEXANDER.
